

i'm positive.

WE ARE ALL IN THIS TOGETHER

Those of us who are HIV+ on the Hill Country Ride for AIDS are so thankful for everyone's participation and support. We are often clients of the Beneficiary Agencies of the Hill Country Ride for AIDS and benefit directly from the funds you raise. You may or may not have heard of **POSITIVEPEDALERS**, an organization of people with HIV/AIDS that cycle this and other events. While most people on the Hill Country Ride are not living with HIV, there are many of us who are riding, crewing, or Staff who *are* living with HIV/AIDS.

Our jerseys, t-shirts and bike flags simply say: **POSITIVEPEDALERS** because with your support we believe we can begin to eliminate the stigma of living with HIV/AIDS through our **POSITIVE** public example!

We are the **POSITIVEPEDALERS** and we are the **positive** face of HIV.

Positive Rider or Crew: Sign up [here](#) if you want to be a **POSITIVEPEDALER!**
Membership is FREE and confidentiality is assured!
